

REMARKS/ARGUMENTS

Favorable reconsideration of this application, as presently amended and in light of the following discussion, is respectfully requested.

Claims 10-14 are presently active in this case. No claims have been added, amended or cancelled by the present response.

Applicant acknowledges with appreciation the indication that Claims 10-14 are in condition for allowance.

The Office Action's only ground for objection was a formal matter related to the specification's reference to the parent application. The specification has been amended to reflect the parent application's patented status. It is respectfully submitted that no new matter has been added.

Consequently, in light of the above discussion and in view of the present amendment, the present application is believed to be in condition for allowance, and an early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
